COURIER COST FOR NATIONAL AND INTERNATIONAL LABS:

- **NATIONAL FREIGHT COST** – Thistle QA will only charge extra freight when a laboratory is situated in a remote area, and where the courier cost is above the normal national freight cost range.
- **INTERNATIONAL FREIGHT COST** – The freight cost for International samples are included in the “Over the border” prices, but an additional cost will be charged should the freight cost exceed the normal tariff.

CONTACT THISTLE QA

- You are welcome to contact Thistle QA regarding courier charges to your country or remote laboratory.

THISTLE QA EQAs - SPECIAL PROGRAMME INFORMATION:

VAT:	All our prices are excluding vat
CYCLE DURATION:	6 months per cycle
WHEN TO ORDER:	At least a month before the actual starting month of the specific EQA
STARTING MONTH:	The enrolment form will state whether it is for a National or International lab, as well as the starting months of the two cycles for the relevant year. All enrolment forms are available on our website: www.thistle.co.za

DIFFERENT OPTIONS

FULL KIT:	A kit consisting of all the samples available per cycle i.e. Vial number 1 – 12 or if it is a 6 sample programme 1 – 6.
HALF KIT:	A kit consisting of half the samples available per cycle i.e. Vial numbers 1/3/5/7/9/11 Odd packs; or vial number 2/4/6/8/10/12 Even packs.
STATS:	This price does not include samples, but only forms and reports. Stats will be ordered for a branch lab that wants to share samples with a main lab. The main laboratory will order samples, reconstitute the sample due, run the sample, and send the remaining volume to the sharing lab for testing.
FULL OR HALF STATS:	You will order half stats for a branch lab that is sharing with a main lab doing half packs i.e. if you share you will have to order exactly the same stats kit as the pack ordered by the main lab you are sharing with, whether it is full or half.
<2 ANALYTES	A lab will choose a “<” option in a case where they do 2 or less than 2 analytes for a programme that provides this option. See the Thistle QA Price list or Analyte list for details.
<3 ANALYTES	A lab will choose a “<” option in a case where they do 3 or less than 3 analytes for a programme that provides this option
<6 ANALYTES	A lab will choose a “<” option in a case where they do 6 or less than 6 analytes for a programme that provides this option
INTERNATIONAL; OR NON-SA PRICES	These prices are for laboratories over the South African borders. It includes an extra freight cost
NATIONAL OR; COST SA PRICES	These prices are for laboratories within the South African borders. Freight costs are included in these prices, unless a lab is situated in a remote area; extra courier cost will be charged separately.
