

BEE Questionnaire

Thistle QA is a Qualifying Small Enterprise (QSE) according to the Department of Trade and Industry (DTI) Code 1100, but we are still committed to the concept of introducing BEE compliance within the company, and submitting our plans to an accredited BEE verification agency, once there is such an organisation.

As part of our planning, preferential procurement is being analysed. Can you please answer the small number of questions below, so that we can assess the compliance or otherwise of our suppliers? Thank you for your help in this matter.

| | |
|---|--|
| Name of Company | |
| Contact person: name and email address | |
| Are you an exempt or QSE company? | |
| Does your company have a BEE status? | |
| If so, with which verification agency? | |
| What are your percentage points? | |
| What is your category of compliance? | |
| If you have performed self-assessment, what are your claimed points? | |
| If not, when do you plan to submit an application to a verification agency? | |
